Park Planning

FROM: Pauline M. Smith, Director
Atlanta Cyclorama

RE: Cyclorama Repairs

Request your assistance to proceed with the following projects.

1. Soffit Roof – The roof over the exterior dentil detail has holes. A contractor repairing the building face above the roof discovered this.
2. Exterior Deck - The terrace deck is delaminating. The ½" surface is breaking up causing leaks and a potential trip/fall safety hazard.
3. Grid Catwalk – Install a catwalk on the grid above the Cyclorama. The Catwalk will access theater lighting and speakers systems used for the Cyclorama presentation.

Funds have been budgeted for these projects. Please call if you have any questions (404 658-7625). Thank you for your help.
