COMING SOON:

Technology Upgrade to existing permitting and enforcement system.

*The City of Atlanta will conduct information sessions the week of November 16-20, 2009 in the Atrium of City Hall, to introduce Accela Automation, a **web based workflow management system** to streamline business processes across multiple departments. The new software will integrate online permitting, compliant and enforcement activities with improved information tracking and delivery of services. **The sessions will provide an opportunity to pre-register, train, and solicit feedback from citizens and the development community prior to November 30, 2009 release.***
